Get a Quick Estimate with Rent to Own Car Calculator

Looking for a simple and transparent way to estimate your Rent to own car payments? Use our easy **rent to own car calculator** to find out how much you could be paying based on your budget, payment frequency, and term length.

As owning your car from us needs no credit history, no traditional paperwork and no visa requirements. You can have your own car in just one price weekly or monthly depending on your financial situation.

Whether you're buying your first car or upgrading your current ride, our calculator helps you plan your payments with confidence—even if you have bad credit history.

How It Works:

- **Step 1:** Select the car make, model, and year.

- **Step 2:** Enter the indicative drive away price
- **Step 3:** Choose your advance payment (deposit) amount.
- **Step 4:** Select your preferred payment cycle (weekly, fortnightly, or monthly).
- **Step 5:** Choose the number of years you want to pay over.
