Rent to Own Car for Uber vs Traditional Financing

As compared to traditional car financing, a rent-to-own car for Uber offers rideshare drivers a lot of benefits. It doesnâ??t require a good credit score or a high upfront cost for approval. You can get on the road with just a minimum deposit and start earning. Letâ??s discuss in detail how rent to own car for Uber is beneficial for Uber drivers.

All-inclusive coverage

Our rent-to-own car for Uber program covers all the additional expenses, including insurance, registration, and servicing. On the other hand, in traditional financing or leasing, expenses may accumulate in an unanticipated way, and the owner is responsible for managing all on their own.

No credit or bad credit accepted

With our **rent to own car for Uber with no credit check**, youâ??ll get approved on the basis of your income, not your credit score. A bad or no credit history may prevent you from access your own vehicle, as traditional financing only accepts a good credit history or score. Otherwise, your application will be rejected.

Easy criteria

An initial step into our **Rent to Own car program** takes no more than simple paperwork, and the process is fast and painless. On the contrary, traditional financing would require a lot of paperwork, financial examination, and a waiting period before you are on the road.

Flexible payment options

Our leasing to own Uber gives users the flexibility to make weekly, monthly and fortnightly payments according to their budget and lifestyle. In contrast, rigid loans or leasing agreements donâ??t offer such type of flexibility. Youâ??ve to follow strict agreement terms and make payments with high interest rates.

Avoid Rent-to-Own Cars Traps for Uber Drivers in Melbourne

OWN Now

- **Hidden Fees and Rising Repayments**:
  Many rent-to-own providers offer affordable weekly/monthly payment options. But what appears to be a reasonable amount of money every week can soon become a rather expensive obligation. Some undercover fees add a lot of money to the final price. At I Rent To Own, weâ??re different. Our pricing is clear with no hidden charges or creepy repayments.
- **Lock-In Contracts and Exit Penalties**:
  Some providers lock drivers into length agreements, often 4-5 years. This may seem like a simple way to own a car, but the terms can be rigid. Exiting the contract prematurely is normally subjected to heavy penalties. This may involve all the money paid being cancelled. Unlike others, I Rent To Own prefer flexibility. Our agreements are straightforward, with fair terms and no harsh exit penalties.
- **Misleading Ownership Promises**:
  There are rent-to-own services that lead you to believe that you will end up owning the vehicle. The truth of the matter is, full ownership comes with other hidden conditions- paying extra. Several drivers pay instalments regularly without ever owning the car. This can be expensive and

frustrating. On the other hand, our ownership is clear and achievable. Every payment you make brings you closer to owning the car outright.

- **Vehicle Restrictions and Usage Limits**:
Rent to own rideshare cars do have very strict guidelines on the use of the car. It can involve a limit on the number of miles, restrictions on rideshare employment or prohibition of alterations. Violation of such rules may entail penalties, additional fees, and even loss of a contract. While, our Uber-approved cars are designed for your rideshare business, with no unfair usage restrictions or hidden limitations.
- **Financial Risks During Downtime**:
With many rent-to-own providers, drivers are required to continue paying even when they cannot work because of sickness, lack of demand or even personal emergencies. Such inability to be flexible may result in accumulating financial strain, debt or even the foreclosure of the car. At I Rent To Own, we know life happens. We have designed our flexible plans to take care of drivers when they go through rough moments.

What Our Clients Say

Could not be happier with I Rent To Own. Bought myself a clean, Uber insured **Corolla without having to make a huge deposit**. It was easy, and I was making the same amount of money during the week. Highly recommended.

Jason T. (Melbourne, VIC)

I was worried that a poor credit score would bring me down, but these myths considered my earnings, and not my background. Signed the papers on Monday and was on the road on Wednesday. Easy as pie and no nasty surprises.

Sarah L. (Footscray, VIC)

I had tried some other mobs, but none of them put me under a definite conduit to owning the car. Under I Rent To Own, I get one step closer to having full ownership of the keys. Honest, equitable and cordial service.
