1. Make an Application Online or Call Us

To join us, simply complete an easy-to-fill online application form. You can call or chat with our support team for further details and information.

2. Check Centrelink Income

Present simple records showing your payments received from the Centrelink. We do not require bank statements or credit scoresâ??we merely require evidence of stable income.

3. Pick your Car

Search our selection of nearly new & brand new vehicles located in Melbourne. Choose the one that fits your lifestyle and pockets.

4. Sign and Drive

You can drive away after signing the agreement. We do not present complex terms and conditions to you.

5. Affordable Weekly Payments

Pay conveniently on a weekly basis that fits your Centrelink payment cycle. We are clear in our pricing, which doesnâ??t carry any surprise charges.

Centrelink-Approved Car Ownership vs. Traditional Car Finance

Rent to own cars program offers flexible, low-barrier vehicle options for individuals receiving government benefits. Unlike traditional car finance, it typically requires no credit checks or large upfront payments. Approval is often faster and tailored to fluctuating income. This makes it a more accessible choice for those with limited financial history.

No Rejection Due to Benefits

Your Centrelink status wonâ??t disqualify you â?? our plans are designed with your situation in mind.

No Credit Check Needed

We donâ??t check credit history at all, so youâ??ll not be hindered by your financial past.

All Running Costs Included

We include key factors such as registration, servicing, and insurance, all of which are within our packages, leaving you worry-free.

Simple Documentation

Only a couple of records are enough to get you started, and you just go through a simple documentation process.

No Credit Checks:

You wonâ??t be subjected to any credit checks. Your application is assessed based on your current ability to make payments, not your credit history.

Rent-to-Own Criteria

Getting on the road is simple with **rent to own cars with low credit**. Meet a few basic criteria and enjoy quick approvals in no time. Below are the details:

Must be Over 21

You must be above 21 to apply for our rent-to-own scheme.

Australian Driverâ??s Licence

An Australian driverâ??s licence is mandatory. It should be either full or provisional. It reassures that youâ??re competent to drive, and the law allows you to do it.

Centrelink-approved Income

We recognise Centrelink payments as a valid and reliable source of income. Traditional employment isnâ??t required; your government support is fully accepted as part of your financial capacity.

Minimum Initial Cost

You pay a relatively modest initial payment to ensure your commitment and pay off some early fees, such as equipment installation or delivery charges.

Adequacy to Pay on a Weekly Basis

You are also expected to demonstrate the capacity to pay on a weekly basis.

Key Benefits Of Rent To Own Cars For Centrelink Recipients

We know your financial situation, and we make it work. This is why rent-to-own cars are increasingly becoming a viable, long-term solution to many Centrelink recipients.

No Credit Checks:

You wonâ??t be subjected to any credit checks. Your application is assessed based on your current ability to make payments, not your credit history.

No Centrelink Effect:

Your Centrelink payments are unaffected by this program, so your benefits are not affected, and you still have access to your own car.

Simple Application Procedure:

The application process is convenient and easy. You will not be overwhelmed with paperwork.

Return Car with No Long-Term Commitment:

If your circumstances change, you have the flexibility to return the car without being locked into a long-term contract, offering peace of mind without penalty.

Keeps your Mobility Intact

Reliable transport means freedom, flexibility, and opportunity. Whether itâ??s for work, appointments, or family needs, rent-to-own keeps your mobility intact, so you can move forward with confidence.

Results in Complete Ownership of the vehicle:

This model then moves towards full ownership, and over time, you will be moving out of renting into ownership without having to pay a lump sum.
