Get Full Ownership

Every payment you make for your **lease to own a car** is part of the overall cost, and owning it is a smooth and financially viable experience. At the end of the term, the car will be yours.

Why Rent-to-Own is Better Than Traditional Car Loans

For many Australians, especially those with limited or poor credit, traditional car financing feels out of reach. Our **rent to own automobiles Perth** offers a better alternative for such people with flexible conditions.

Here's why:

One Simple Weekly or Monthly Payment Covers it All

Unlike bank loans, where insurance, servicing, and rego come as separate costs, our rent-to-own options wrap everything into one easy-to-manage payment. This means no surprise bills, just a predictable budget you can stick to.

Rent To Own Cars, No Credit Check Required

A [rent to own cars with bad credit](#) plan doesn't require a good credit score. It is easy and convenient for people with bad credit. You can hit the road in 24-48 hours after approval.

Quick Approvals, Minimal Documentation

The whole rent-to-own car process is streamlined, fast, and stress-free with no lengthy paperwork. Even if you're self-employed, receiving [rent to own on cars with Centrelink support](#), or lack conventional documentation, approvals are often processed on the same day.

Flexible Payment Plans To Match Your Cash Flow.

It gives clients the option to choose from weekly or fortnightly repayments that are structured around their income cycle. Unlike rigid loan terms, a **lease to own cars Perth** offers room to breathe and the freedom to negotiate terms that suit your lifestyle.

Frequently Asked Questions

What is rent-to-own car financing?

It is a lease vehicle ownership scheme wherein you pay an amount weekly or on a monthly basis, but you get the use of the car. After your term expires, you will be able to acquire the car; your repayment will be deducted from the total cost.

Am I required to have a credit score to qualify?

No. To take advantage of our rent-to-own cars program, you don't need to have a good credit score. You can also apply even if you have a low or bad credit score.

How much deposit is required?

The deposit is about \$3,000, depending on the vehicle.

What are my payment options?

We take direct debit as well as cash. The payments will be matched to your income schedule at your maximum convenience.

What is the method of calculating the amounts to be paid?

The price depends on the model and the lease period of the vehicle. We will collaborate with you to come up with an affordable plan.

Who does the maintenance and servicing?

Your rent-to-own package includes insurance, registration and regular servicing. You will not be hit by accidental repairs.

What is the duration of the approval process?

We provide same-day approvals in the majority of cases, subject to the availability of the vehicles and documents.

Who can acquire a rent-to-own car in Perth?

Anyone can be considered who is 21 years of age or older and has an Australian driver's licence, and who can prove their income (through employment or self-employment, or Centrelink)
